PRESENTED BY THE CONGRESS PARK NEIGHBORS GREEN TEAM:

EARTH 2018 MONTH

WIND AND SOLAR FAIR APRIL 7 | 1-3PM
Homeowners! Renters! Are you interested in solar or wind? It's easier than you think! Come learn about how to buy solar panels, join a solar community garden or purchase wind!

WALK2CONNECT TOUR APRIL 14 | 2-4PM
LEAVE YOUR 4 WHEELS BEHIND is a 1.5-mile walking tour that will feature neighborhood options for driving less. We will explore the alternative transit available in our neighborhood from bus lines to B-Cycle stations.

PUTTING PLASTIC OUT TO PASTURE APRIL 28 | 1-3PM
Stop by the PUTTING PLASTICS OUT TO PASTURE info table at the corner of 12th & Madison, to learn how to reduce plastics in our daily lives. Find out how single-use plastic pollution impacts land, wildlife, & oceans, and national and international efforts to reduce their use. Games and prizes will be available.

MORE LANDSCAPING LESS WATERING WALKSHOP APRIL 28 | 1PM
A water-wise walking tour! Learn how landscaping choices can reduce your water consumption and tour xeriscaped gardens in our neighborhood.

**ALL ZERO WASTE EVENTS!
