**Welcome. Thanks for recycling your paint**

This event was initiated and organized by your neighbors who relied on volunteer time and energy to make today happen. We have no idea how many people will participate so please bear with us. We may not have all of the answers to your potential questions.

**In order to keep traffic moving, our volunteers will remove the paint from your vehicle. Please stay in your vehicle if you can.**

(with the exception of cans of spray paint at \$1 each)
