

Wheat Ridge Sustainable Neighborhoods Program

Workshop Credit Guide

A workshop is an educational meeting that provides information and resources that help increase awareness and understanding of the workshop topic. Workshops should utilize expert speakers, local organizations and other relevant resources to help attendees turn resident awareness into action.

The following information needs to be completed and emailed to the Website Manager within 30 days of the workshop taking place. Please upload any event photos to your neighborhood Drive folder.

Workshop Name:

Number of Residents in Attendance:

Were outreach materials provided in multiple formats? Yes No

Multiple formats include: spoken languages (other than English), written/Braille, signed, ADA compliant, etc.

Was the workshop zero waste? Yes No

If you indicate that this was a zero waste workshop, you will be required to enter the weight of all the materials collected (in pounds).
